

## Minutes of HOA Firewise Committee April 3, 2019

### Opening

The meeting was called to order at 7:00 p.m. by Committee Chairman David Franklin, and was held at 12965 Moss Rock Dr., home of David Franklin. Also present were committee members Tom Holmberg, Janet Johnson, Karl Simon, Stan Bishop, Bruce Lyon and Hank Skawinski.

### New Business

Community Firewise Meeting: Discussion was focused on the planned HOA wide community meeting that will be held at the Auburn Presbyterian Church on April 23, 2019, to ensure all HOA residents are familiar with the Firewise Program; with their assistance to reduce Saddleback wildfire risk requested. David Franklin will coordinate these activities, Hank will procure refreshments and coordinate communicating the meeting to HOA residents. David has invited CalFire and the Placer County Firewise coordinator, Ms. Luana Dowling.

It would be good to publish a fire safety/Firewise newsletter to HOA residents in the June timeframe.

An additional fire safety banner was discussed where the two existing banners will be temporarily removed and an additional banner installed. The three banners will be rotated every few weeks to keep the fire safety message fresher. Wording for the new banner was agreed upon by those present and will state "Your Ongoing Efforts to Make Saddleback Firesafe are Appreciated"

The potential for assistance in the form of grant money, matching funds, etc. from CalFire or Placer County was discussed. CalFire and Ms. Dowling to be contacted for additional information.

Next meeting is tentatively scheduled for June 5<sup>th</sup>, to review effectiveness of the community meeting and plan next Firewise related actions.
